Sir:

Information Disclosure Statement

Applicant submits herewith patents, publications or other information of which they are aware and which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(b) exists.

The Form PCT/ISA/210 for PCT/CN02/00915, enclosed herewith and cited on Form PTO-1449, provides a concise explanation of the relevance for each reference not in the English language as required by 37 C.F.R. § 1.98(a)(3). A written English-language translation of the non-English language references is not readily available to or within the possession, custody or control of Applicants.
